Kirk Venge's Notes

Exhibits lavish aromatics of black plum and red raspberry, with undertones of molasses, and barrel roast. Flavors of cherry tart, blue fruit, pomegranate, and warm barrel spice highlight great purity of fruit, velvety textured tannins, and a tremendously long finish.

Crafting the Oakville cabernet sauvignon

Philosophy

The 2013 vintage presented us with another opportunity to showcase this beautiful single-vineyard Cabernet Sauvignon from O'Shaughnessy Vineyard as a stand-alone bottling. Located directly across the B Cellars winery on the Oakville Cross Road in the heart of the Oakville AVA.

Harvest

The fruit is hung on the vine until it reaches its optimum ripeness of both flavor and Brix (measured sugar concentration). It is then carefully hand harvested early in the cool hours of the morning into .5-ton macro bin boxes.

Winemaking

Once the fruit arrives to the winery the clusters are carefully de-stemmed; whole berries are gently moved across the sorting table where jacks and raisins are removed. The clean fruit is then moved to tank for a five-day cold soak prior to the onset of native yeast fermentation. Total fermentation time was 25 days in an open top tank. Each lot was fermented and aged separately until we began the blending process. The barrel program is 75% tight grain new French oak for a total of 26

Results

- ~ The 2013 Oakville Cabernet Sauvignon was bottled on July 20, 2015
- ~ Final wine values are 14.9% alcohol; 0.72g/100mL Titratable Acidity and 3.62 pH.
- ~ Unfiltered and Unfined
