2016 Dry Creek Zinfandel

550 cases

Kirk Venge's Notes

This Zinfandel comes from the Dry Creek Valley in Sonoma County which produces some of the finest Zinfandel grapes in all of California. Grist Vineyard is 2200 feet above sea level with old head-trained vines anchored in extremely rocky, red volcanic soil. Extremely concentrated flavors come from these vines and soil which yield this fruit driven, highly structured wine. It displays a juicy palate with supple tannins, great structure and integrated acidity. The rich core is accentuated by flavors of blueberry compote, sweet kirsch and raspberry liquor.
