### *Kirk Venge's Notes*

Our Blend 23 from the 2017 vintage exhibits exceptional balance of acidity and body. Initial aromas of citrus basket, stone and tropical fruits come to the foreground while subtle expressions of orange blossom and honeysuckle arise. Great structure and minerality are brought forth from the barrel fermented Chardonnay while the Sauvignon Blanc provides a lively crispness rounded out by the great viscosity of the Viognier.

### *Chef Pairing Suggestion*

Chef Derick suggests preparing our Melon Salad with Crispy Prosciutto, Ricotta Salata & Hearts of Palm with B Cellars Blend 23 for the perfect pairing.
